**We believe in the local food movement and limiting our impact on the environment. This is our effort to encourage and support sustainable ranching, farming and fishing. The 9600 Kitchen's "pasture to plate" concept is a back to basics approach using simple preparations and traditional farmhouse cooking to showcase our Partnered farms and ranches.**

🌱 Gluten Free Items 🍴 Vegetarian Items \*Eating or consuming raw or undercooked meats and seafood greatly increases your risk of food borne illness.
