AT HEAVENLY

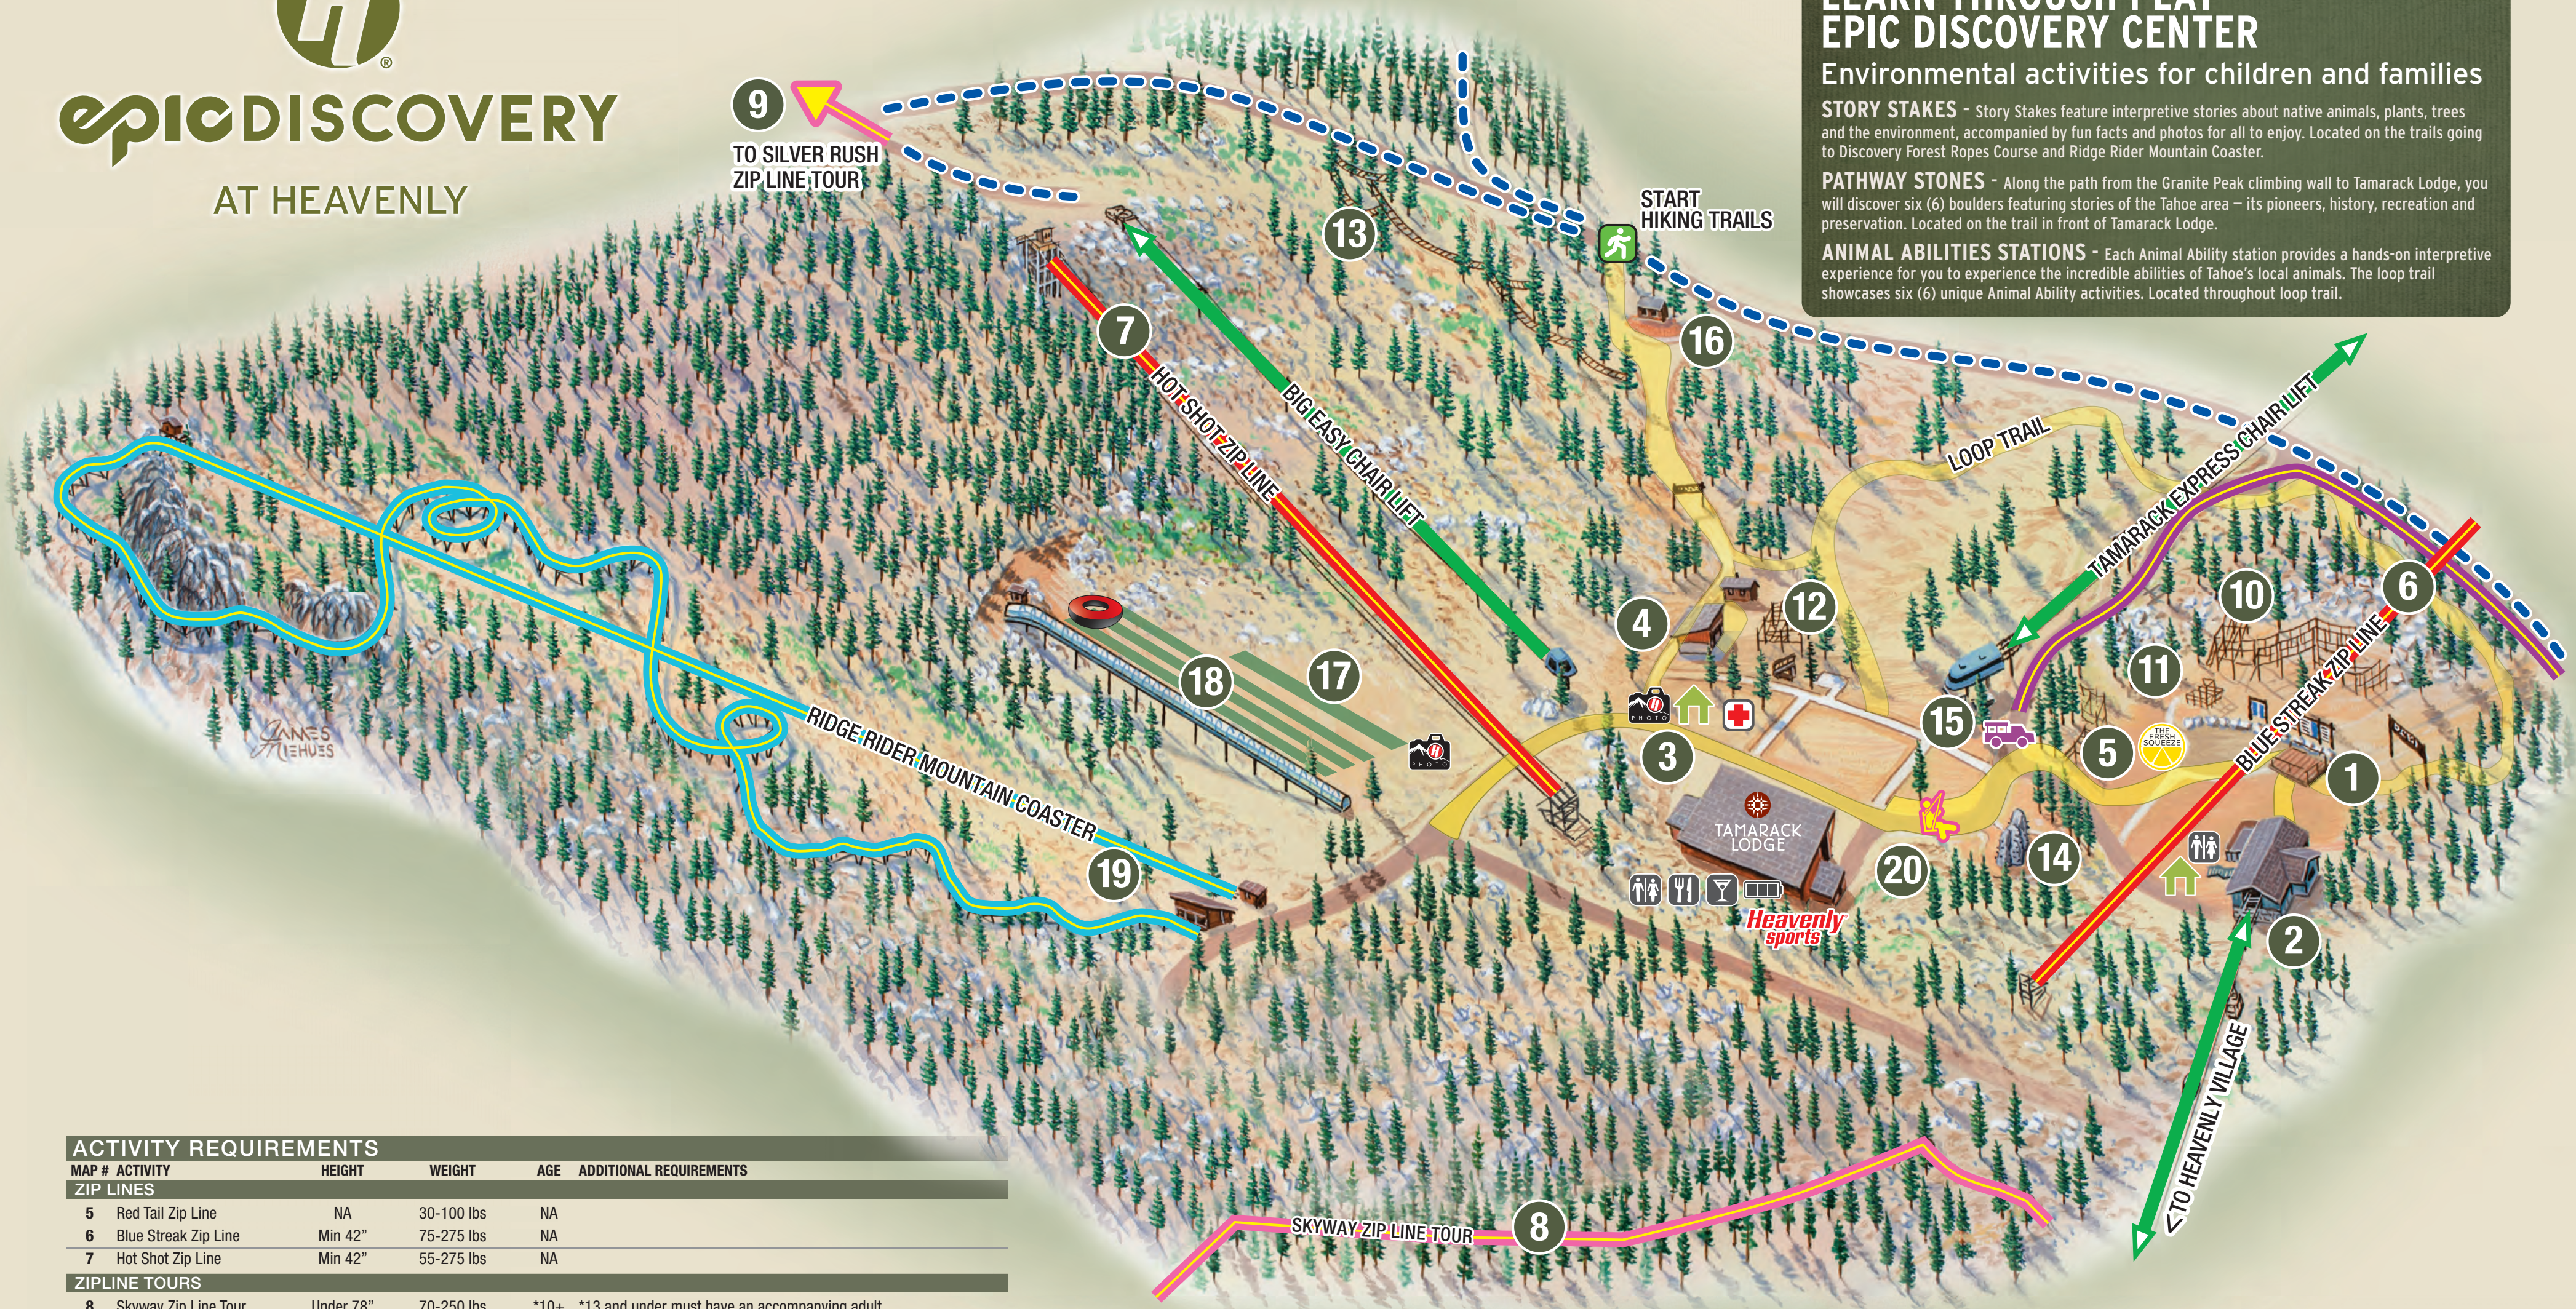

LEARN THROUGH PLAY EPIC DISCOVERY CENTER

Environmental activities for children and families

STORY STAKES - Story Stakes feature interpretive stories about native animals, plants, trees and the environment, accompanied by fun facts and photos for all to enjoy. Located on the trails going to Discovery Forest Ropes Course and Ridge Rider Mountain Coaster.

PATHWAY STONES - Along the path from the Granite Peak climbing wall to Tamarack Lodge, you will discover six (6) boulders featuring stories of the Tahoe area – its pioneers, history, recreation and preservation. Located on the trail in front of Tamarack Lodge.

ANIMAL ABILITIES STATIONS - Each Animal Ability station provides a hands-on interpretive experience for you to experience the incredible abilities of Tahoe's local animals. The loop trail showcases six (6) unique Animal Ability activities. Located throughout loop trail.
