THREE PERFECT DAYS AT KEYSTONE

THANK YOU FOR CHOOSING KEYSTONE RESORT FOR YOUR WINTER GETAWAY. TO GET YOU STARTED ON A MEMORABLE VACATION YOUR FAMILY WILL BE TALKING ABOUT FOR YEARS TO COME, WE'VE BUILT THREE PERFECT DAYS, FILLED WITH SOME OF KEYSTONE'S MOST UNIQUE ACTIVITY AND DINING EXPERIENCES.

After perusing our suggestions, use the information in this guide—or call our friendly Activities & Dining Team at 970-496-4386 or ext. 4386 from an in-room phone—to build your perfect Keystone itinerary.

DAY 1

Relaxing on day one will help you and your family acclimate to Keystone's high altitude environment, ensuring the rest of your stay can be filled with activities—and everyone feeling their best!

Wake up for a hearty breakfast overlooking the Continental Divide at the **Edgewater Café**, conveniently located in scenic Lakeside Village.

Once everyone has eaten their fill and is ready to take on the day head over to the **Adventure Center**, just steps away and home to the largest Zamboni maintained outdoor skating rink in North America.

If you are looking for a more relaxing afternoon head to the **Keystone Lodge and Spa** and experience one of their signature packages to really make you feel like you are on vacation.

To finish out your day, elevate your dinner at **Der Fondue Chessel**, where you will enjoy a one of a kind dining experience on the top of North Peak—and be sure to order the Flaming Turtle for dessert!

DAY 2

Happy Day 2 to you! Today is made for **skiing or riding**—exploring Keystone's more than 3,000 acres of diverse terrain. But before you get on the River Run gondola be sure to get some breakfast at **Starbucks**.

New to skiing or riding? Not a problem! The **Keystone Ski & Ride School** offers various programs for each person in your family. Whether you would like to drop the kids off at **Camp Keystone** for a unique learning experience they will be talking about for years to come, or would rather enjoy time together, in Keystone's **Family Private Lesson**, which accommodate all ages and abilities for a shared experience on snow.

Exploring the mountain all day can leave you hungry and the best way to refuel is at our NEW restaurant, **Three Peaks at Mountain House**. Enjoy handmade pizzas, burgers, salads and sandwiches in this fun, family-friendly outlet that will have you back on snow in no time!

After your day of on-mountain fun, be sure to swing by our afternoon **Kidtopia** activities—free family fun daily! Every afternoon **free cookies** from Pastry Chef Ned Archibald are served at the **Dercum Square Ice Rink**, and daily activities include Craft-er-Noon, Bigfoot Adventure Walks, a weekly parade and ice cream parties!

Looking for another one of a kind dining experience? Reserve your evening for a magical **Dinner Sleigh Ride**! Aboard a horse-drawn sleigh, your party will be whisked through the picturesque Soda Creek Valley to a historic homestead built in the 1800's. Once at this beautiful homestead you will be treated to a hearty meal that will keep everyone warm and full on the sleigh ride back.

DAY 3

After a morning of **skiing or riding**, if your legs are beginning to burn, the on-mountain activities don't have to end. Make your reservation for **Tubing at Adventure Point**, located atop Dercum Mountain. On your way to fast-paced fun at more than 11,000', be sure to stop by Keystone's magnificent **Kidtopia Snow Fort**. Carved from snow and ice, this enchanted fort is the perfect spot for photos—and plenty of family fun!

If you have non-skiers along for the trip, or perhaps are just looking for something a little more relaxing, be sure to check out our **Mountaintop Family Adventure Tours**. Let our enclosed, heated snow cat take you to the top of Erickson and Bergman bowls, where the views will take your breath away. Be sure to bring your cameras to capture all the special moments from the top of the world!

Both tubing and our mountaintop snow cat tour can be purchased along with a voucher for the **Summit House** food court. Choosing from homemade noodle bowls, Epic Burgers and a variety of pizza will be the only hard part of this experience.

Finish off your day at the **Keystone Ranch**, an authentic Colorado steakhouse set in a 1930's homestead. This dinner experience pays homage to the ranchers and farmers who settled the area. The Ranch provides a great family experience for all ages, including weekly **Parent's Night Out**, providing the perfect date night activity for the whole family!

DECEMBER 1-23
Colorado Family Ski Month
Join us for a celebration of all things Colorado and all things family as Keystone Resort hosts the first-ever Colorado Family Ski Month, December 1-23. This inaugural event provides the perfect opportunity to discover what Keystone is all about – family-sized adventures, the World’s Largest Snow Fort, Bigfoot Adventure Walks, skiing under the stars, fireworks, village parades, and not to mention skiing and riding at the largest ski resort in Summit County. The fun begins on December 1 with free skiing for kids 12 and younger (with the purchase of an adult lift ticket or presence of an adult season pass holder), and continues throughout the month with free ski and snowboard clinics, Colorado-themed Kidtopia activities, and special events such as the grand opening of the Snow Fort and the new Kidtopia Mountaintop Spectacular event! Best of all, it’s all free. So carve out some serious family bonding time this December in honor of Colorado Family Ski Month.

Behind-the-Scenes Chocolate Tour with Chef Ned Archibald
Keystone Resort’s executive pastry chef Ned Archibald welcomes guests for a unique behind-the-scenes glimpse into his world of decadent desserts and chocolate making at the resort. Take a break from the slopes one morning to experience these can’t-miss tours designed for kids (and parents), and meet the man himself, tour his chef’s workshop and make delicious treats of your own to take home. No golden ticket required; these Chocolate Tours are free to attend. Tours take place on select dates throughout the season at the Keystone Conference Center from 9:00AM–11:30AM

DECEMBER 16-18
Kidtopia Mountaintop Spectacular
This winter Keystone presents the inaugural Kidtopia Mountaintop Spectacular, a weekend of festive on-mountain fun for the entire family. This event will showcase a variety of activities and Kidtopia programs that make the resort a top destination for families, including nightly firework displays, a torchlight ski parade led by Keystone’s Ski & Ride School, and a mountaintop celebration where guests can enjoy free snow tubing, snow cat photo opportunities, live music, hot cocoa and fireside stories with Santa. Kidtopia, Keystone’s season-long free family programming, will animate the mountaintop with bigfoot adventure walks and a ski patrol-dog meet and greet, plus a special lighting ceremony of the World’s Largest Snow Fort to create an unforgettable weekend. The Kidtopia Mountaintop Spectacular offers families an entirely new, and uniquely Keystone, mountain experience
