Volunteer Rangers from the U.S. Forest Service lead one-hour ski/snowboard tours down Schoolmarm, a beginner green trail. Each tour follows the guide through several planned stops to learn about topics such as wildlife, geology, native trees and much more. Participants meet at the top of the gondola on Dercum Mountain and are encouraged to bring questions and an inquisitive mind. The Ski with a Ranger tour is FREE to participants, but a lift ticket or season pass and appropriate skiing ability are required. This tour is not a ski or snowboard lesson and instruction is not included. This is a great way to learn more about the local forest and is a perfect activity for families and kids of all ages!
