UNDERSTANDING BIKE PARK SIGNAGE

All routes within the Bike Park are designated by colour-coded trail markers at the start of each descent. Trails with an orange oval indicate Freeride trails with man-made features and require jumping skills. Work your way up to more advanced trails and features based on your progression, skill and comfort level.

FREERIDE

Freeride trails are machine-cut and contain man-made features. Routes are enhanced with dirt jumps, ride-on features, gaps, narrow surfaces, wallrides, berms and other natural or constructed features. All Freeride trails are identified with an orange oval.

JUMPING SKILLS REQUIRED

	BEGINNER	
	INTERMEDIATE	
	ADVANCED	
	EXPERT ONLY	
	PROLINE	

TECHNICAL

Technical trails are designed to embrace the rugged shape and terrain of the mountain, utilizing a majority of natural terrain. Routes are typically hand-built and feature organic obstacles and stunts such as rocks, roots, logs, drops, jumps and other natural or constructed features that require technical riding skills. Technical trails are identified by their difficulty symbol. Jumping skills may be required.

Here are examples of some of the signage you might encounter.
