

DUSTY'S DITCHES THE STRAW

In an effort to achieve Whistler Blackcomb's goal of a zero operating footprint, Dusty's will no longer be offering plastic straws with our drinks. This will result in **a reduction of 98,000 straws or 20km (12 miles) worth of plastic waste per season.**

If you must use a straw, please ask your server for a compostable one.

Thank you for your support in creating a greener Whistler.
